COMMITMENT:

Company dancers must be able to commit to two practices per week as well as some Friday evening/Saturday morning choreography rehearsals. Company dancers will be required to take at least one ballet class and one jazz class from Boise Dance Alliance while dancing on Company. The Company performs at shows and venues throughout the community as well as competing in a few competitions. Dancers can expect to have one to two performances each month.

COST:

There will be a cost commitment to be on Company that will be charged in order to cover choreography fees as well as staffing for weekly rehearsals. A breakdown of costs will be given to each dancer that makes Company.

EXPERIENCE:

BDA's Company is a great opportunity for those dancers looking to take their experience to the next level. It is an opportunity for dancers to work closely with other dancers and choreographers and a way for them to form friendships while gaining valuable performance experience.

MANDATORY DATES:
